To tempt the thing which daily yet I rue,
And the old cause of my continued pain,
With like attempts to like end to renew. *Fairy Queen.*
You'll rue the time,
That clogs me with this answer. *Shakespeare.*
France, thou shalt rue this treason with thy tears,
If Talbot but survive. *Shakespeare, Henry VI.*
- There are two councils held;
And that may be determin'd at the one,
Which may make you and him to rue at th' other. *Shakespeare.*
Oh! treacherous was that breath, to whom you
Did trust our counsels, and we both may rue,
Having his falshood found too late, 'twas he
That made me cast you guilty, and you me. *Dominus.*
- That error now, which is become my crime.
Against this, thy will
Chose freely what it now so justly rues. *Milton.*
- RUE. *n. f.* [rue, Fr. ruta, Lat.] An herb called, herb of grace,
because holy water was sprinkled with it.
The flower of rue for the most part consists of four hollow
leaves, which are placed orbicularly, and expand in form of
a rose; out of whose flower-cup rises the pointal, which at-
terward becomes a roundish fruit, which is generally four
cornered, and composed of four cells fixed to an hard shell
of small angular seeds. *Müller.*
- What favor is better,
For places infected, than wormwood and rue. *Tassier.*
Here did the drop a tear; here, in this place,
I'll set a bank of rue, four herb of grace;
Rue, even for Ruth, here shortly shall be seen,
In the remembrance of a weeping queen. *Shakespeare, Rich. II.*

She smooth'd the ruffled seas, and clear'd the skies. *Dryden.*
Bear me, some god! oh quickly bear me hence
To wholesome solitude, the nurse of sense;
Where contemplation prunes her ruffled wings,
And the free soul looks down to pity kings.
3. To discompose; to disturb; to put out of temper.
Were I Brutus,
And Brutus, Antony, there were an Antony
Would ruffe up your spirits, and put a tongue
In every wound of Cæsar, that should move
The stones of Rome to rise and mutiny. *Shakespeare.*
We are transported by passions, and our minds ruffled by
the disorders of the body; nor yet can we tell, how the soul
should be affected by such kind of agitations. *Glanville.*
4. To put out of order; to surpise.
The knight found out
Th' advantage of the ground, where best
He might the ruff'd foe infect. *Hudibras, p. I.*
